

Word from the director

Welcome back! I hope your summer was pleasant and that you had the opportunity to store up plenty of energy with the fantastic sunny weather we had. Here we are at the beginning of a new school year, enthusiastic and eager to be re-acquainted with the students and welcome the new admissions. As always, the entire team of teachers, interveners, professionals and support staff will do their utmost to make this school year a total success in every domain. The schedule this year at Ouimet Campus has been modified a tiny bit, as we informed you in the June 6th letter to parents; the school day will start at 9 a.m. and will end at 3 p.m. If you need to pick up your child at the end of the day, please arrive at the reception desk no later than 2:30 p.m. Should you have any questions do not hesitate to contact Sherilyn Ami or me, we will be happy to help you or refer you if necessary.

Important ! School attendance on September 30, 2011

Every year, the Ministry of Education, requires that all registered students be present in school on the last day of school in September. Therefore, please make sure that your child/ beneficiary is present at school on Thursday September 30th, 2011, unless of course the student is ill. Note that if your child is not in school on September 30th, we will send you an attestation form that must be completed, signed and returned to school, along with a letter from you justifying his/her absence for that day.

Transport routine sets in

Your patience and cooperation with school transport morning and end of the day is appreciated for the first 2 or 3 weeks of the school year. Schedules or itinerary might undergo some adjustments in order to reduce travel time. Traffic condition is also a factor on some days. Soon the routine sets in with the students as well as with the drivers. If you have any questions you can reach the transport's offices at these numbers:

Holiday & pedagogical days

Monday, September 5th 2011, is the Labor Day holiday. Students have no school on that day. There are also 2 pedagogical days in September: Friday, September 16th and Thursday September 29th 2011, as indicated on the school calendar. There will be no school for students on these 2 days also.

Establishing efficient communication by way of the school agenda

The agenda is practical for parent ⇔ teacher communication and follow-ups. With the agenda you are kept informed on your child's participation in class activities and you can comment or write any questions you have. The first pages also contains important information or reminders on several aspects of school life at Peter Hall.

The **FLASH!** will keep you up to date all year long

The Flash! is our monthly news bulletin. It will keep you informed on up-coming school events. It also has information of interest to parents. There is a calendar for the month on the back. Posted on the refrigerator or a bulletin board, it is a practical guide doubled with reminders.
